Kumeu
Auckland

Dear Mark,

Thank you for the trophies that were used for the winners and runners up at the 2011 North Island u17 Open. The design is very unique and we had excellent feedback from the players and supporters. The players from outside of the greater Auckland area were very happy to be taking them home.

It is great to get new ideas and designs from you and your company. I look forward to the next order.

Kind regards,

Lisa Schmidt
