Glassware is an excellent premium gift with high perceived value , suiting all ages and genders high profile ongoing exposure in a social situation giving you maximum brand profile

There are a variety of ways to decorate your glassware for your special occasion

Option 1: sandblasting: artwork is sand-carved into the glass (dishwasher safe)

Option 2: kiln fired decal, inks heat fused into glass surface (dishwasher safe)

Option 3: direct printed 2 pot epoxy ink, surface print.

All prices include the glassware and the etching of artwork ,a combination of glassware shapes can be used for options 1 & 2,and differing artwork for sandblasting production time for sandblasting 1-3 days, other methods 3 -10 days.

There are other glass shapes available by request, we also supply ceramic mugs etc

Prices are indicative only and subject to final viewing of artwork

base price is for a 1 position etching, P.O.A for additional etching positions

for more complicated artwork a setup fee may apply

we also have giftboxing available and food and wine options as well .

We can also personalise glasses with recipients name - adding to the WOW factor
