

## Glass Coasters - Deep sandblasted

The Rolles Royce of glass coasters - deep sandblasted coasters catch and refract the light and look absolutely stunning .  
price is very dependent on the logo and artwork, as a individual mask is required for each coaster,  
setup for artwork is approx \$55  
for example the Dragon image above is \$6.00 ea based on 100x

Let our in house design team help you develop something stunning
