

Laser engraved Wooden coasters

original photo

Artists line drawing

Laser engraved rimu coaster 90mm square

As a thank you to their client, we created for our client a set of laser engraved rimu coasters , with a graphic of the completed buildings.

From the original photo, our artist recreated in line artwork , we then added company logo and other text , to supply an outstanding gift

Complete with a solid rimu coaster holder the result was high impact high profile New Zealand made unique functional gift

pricing is variable due to the time taken with the laser engraving, indicative based on 40 x of each of the above high detailed , is \$6.00 ea - setup may apply
